EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kerry Goodwin on 2/7/07.

The application has been amended as follows:

Claim 3 is amended to depend on claim 2.

Allowable Subject Matter

2. Claims 1 through 13 are allowed.

3. The following is an examiner's statement of reasons for allowance:

4. The prior art of record does not teach or suggest a method for forming an alignment structure comprising forming a via passage having a first depth at a selected level of a substrate, forming an alignment recess having a second depth greater than the first depth at the selected substrate level, forming a first metal over said selected substrate level within said via passage and within the alignment recess, said via passage is substantially filled with the first metal layer and the alignment mark is only partially filled by said first metal layer, forming a second metal layer over said first metal layer such that the alignment recess is completely filled, planarizing said second metal layer down to the substrate level forming a plug of the second layer material within the
